AUTHORIZATION

*Name of person completing this form	Uzair Amir	Title	Director	Company	IFF
Do you give authorization for the payment house to be set up on API and any other services Day & Ross offers to get backup documents?					☐ YES ☒ NO
Comments					Date 06/03/26

Notes

- All new setups will be for REST APIs (vs. SOAP) to go live in March 2026.
- Existing API registration process and authentication credentials remain the same.
- An Open Standard Authorization (OAuth) token process will be added as an extra layer of security.
- Connection endpoint at Day & Ross (URL, IP Address, Port details) will change.
